Please read and save these instructions. Read through this user's manual carefully before using this product. Protect yourself and others by observing all safety information, warnings and cautions. Failure to comply with instructions could result in personal injury and/or damage to product or property. Please retain instructions for future reference.

## 1. Safety instructions

### General safety instructions

- Please read the following instructions carefully before using the article.
- Please keep these operating instructions.
- No liability is assumed for damage caused by improper use or non-observance of these safety instructions.
- Only place the bench on flat surfaces and use them only as intended for the intended application area.
- Do not jump on the bench. In case of improper use there is a risk of breakage of the bench and therefore risk of injury.
- Be careful when drawing up the bench, especially when the legs are pulled out.
- Please do not expose to rain.
- Not suitable for children under 6 years of age.
- Use only under direct supervision of adults.
- Store in a dry, well ventilated and cool place.

## 2. Technical specifications

<b>Model</b>	<b>AR-HE-BBX2</b>

Material feet	Powder-coated metal
Material bench	Plastic
Thickness bench	1.58 in (4 cm)
Net weight	22 lbs (10 kg)
Colour	White

### 3. Assembly instructions

- Remove the ale-benches from the packaging. These are delivered folded up, so please place them face down on a clean, soft surface (such as a blanket and/or rug). Open the folded ale-bench (see pictures).

- Then pull the bench legs vertically up to the stop.

- Turn the bench now. Make sure that the bench is on a solid base.

## 4. Disposal instruction

### 4.1 Disposal of the packaging

- Please make reference to the guidelines and standards for appropriate disposal of the packaging valid in your region. In part, the package may consist of plastic bags - watch this respect, with special care to ensure that this is not out of the reach of children. There is a risk of suffocation!

### 4.2 Disposal of waste equipment

- Equipment must be disposed of in accordance with the rules and regulations of the local waste disposal.
- At the end of the long life of your article, please dispose of the valuable raw materials for proper disposal so that proper recycling can take place. If you are not sure how to proceed, the local waste disposal companies or recycling centers are happy to help.
