Thank you for purchasing our product. Please read the operating instructions carefully before using the product for the first time. If you give the product to a third party, this manual must be handed over with it. Keep the instruction manual for future reference. The drawings in this manual may not match the physical objects. Please refer to the physical objects.

1. Security instructions

1.1 Explanation of the symbols

Warning! Read the safety instructions carefully. The Failure to follow the safety precautions can result in serious injury or damage. Keep the operating instructions in a safe place.

Warning! This signal word indicates a hazard with a medium degree of risk which, if not avoided, could result in death or serious injury.

1.2 Intended Use

- This chair is designed for private residential use only.
- It is suitable for use by one adult person at a time with a recommended max. body weight of 120 kg.
- The chair is not intended for commercial use.

1.3 General security instructions

-  Please read the following safety instructions carefully before first use. Failure to follow these guidelines may result in injury or damage to the product. Keep this manual for future reference and pass it on to any subsequent users.
- **WARNING! Risk of Suffocation!** Keep packaging materials, such as plastic bags, away from babies and children. Ensure that children do not play with the packaging materials.
- This product is **not a toy**; do not allow children to play with the product or its packaging.
- **WARNING!** Please be careful when opening and closing the product in order to prevent injuries and pinching.
- Always inspect the chair for visible damage or signs of wear before each use. Do not use the product if any damage is detected or suspected.
- Verify the product is stable before use.
- Ensure the chair is placed on a stable, level, and solid surface before sitting on it. Using the product on uneven or unstable ground may cause it to tip over, resulting in injury or damage.
- Do not exceed the maximum capacity or recommended user weight of 120 kg. Overloading may lead to structural damage and possible personal injury.
- Keep hands, fingers, and other body parts away from the folding mechanism to avoid the risk of pinching or injury during opening and closing.
- Before use, confirm that the chair is fully opened and that the folding mechanism is securely locked in position.
- This product is designed for use by one person at a time only.
- This chair is not a toy. Children must only use it under direct adult supervision.
- Do not stand on the chair or use it as a step ladder.
- Do not sit on the backrest or armrests, as this may cause instability or damage.
- Avoid using the chair in adverse weather conditions such as strong winds, which may compromise stability and safety.
- Do not place the chair near open flames or sources of high heat.
-  **Important Notice:**
Failure to observe these safety instructions may result in accidents, injuries, or damage to property. The manufacturer accepts no liability for misuse or improper handling of the product.

3. Use

	<ul style="list-style-type: none"> Step 1 – Unpacking Carefully remove the chair from the packaging. The chair is delivered in a folded position for transport and storage.
	<ul style="list-style-type: none"> Step 2 – Unfolding the Chair Hold the chair firmly and pull the frame apart until it is fully opened. Ensure that the folding mechanism is securely locked in place. ⚠ Warning: Keep hands and fingers away from the folding joints to avoid the risk of pinching or injury.
	<ul style="list-style-type: none"> Step 3 – Adjusting the Backrest The backrest can be adjusted to different positions. To adjust, use the mechanism located on both armrests and lean the backrest backward until the desired position is reached. Make sure the backrest clicks securely into place before use.

4. Cleaning and care

- Clean the chair with a damp cloth and mild detergent. Do not use abrasive cleaners or harsh chemicals, as these may damage the surface.
- After cleaning, dry all parts thoroughly. Proper drying helps to prevent mould, odours, and discolouration.
- For longer durability, clean the chair regularly, especially after outdoor use.

5. Storage

- Store the chair in a clean, dry, and sheltered place at normal room temperature.
- Always ensure the chair is clean and completely dry before storage.
- If not in use for an extended period, fold the chair carefully and keep it in a protected location to avoid dust and moisture.

6. Environmentally friendly disposal

⚠ Warning! from the risk of suffocation! Packaging material is dangerous for children. Never let children play with packaging material.

6.1 Disposal and packaging

- The packaging of your device is made of materials necessary to guarantee effective protection during transport. These materials are fully recyclable and thus reduce the environmental impact. Dispose of the packaging in a bin for recyclable materials.

6.2 Disposal of waste equipment

- Waste equipment must be disposed of in accordance with the guidelines and regulations of local waste disposal. Contact your local administration via the address of the nearest recycling centre and deliver your device there.
