Sleeping bag

AR-HE-SLS220S/SKD220S

Please follow all the safety measures in this user manual to ensure safe use.

arebos.de

- Thank you for purchasing our product.
- Please read this manual carefully before use and keep it in a safe place for future use.
- The illustrations in this manual may differ from the actual product. Please refer to the physical product.

1. Purpose of use

- Designed for outdoor leisure activities.
- Suitable for camping, hiking and general travel.
- Provides basic thermal insulation by retaining body heat.
- Suitable for mild to cool weather.
- Only for the private, non-commercial use.

2. Safety instructions

⚠ **WARNING! Choking hazard for children!**

• **Keep packaging materials away from children.**

- This product is not a toy. Not suitable for infants or young children.
- Keep away from open flames and heat sources.
- Avoid contact with sharp objects.
- Provide adequate ventilation during use.
- In case of discomfort, overheating or limited range of motion, discontinue use immediately.

3. Instructions for use

- The sleeping bag was packed in a storage bag at the factory.
- If the sleeping bag is not going to be used for a long time, remove it from the bag and store it in a dry place. Long-term compression can affect insulation performance.
- Shake out the sleeping bag before use to allow the filling to expand completely.
- For transport, first put the foot end in the compression bag and carefully twist in the rest of the sleeping bag.

Sleeping bag

- Do not store in plastic bags, as moisture can form and mold can develop.

4. Technical data

EAN	4252023129527	4252023129534
Model	AR-HE-SLS220S	AR-HE-SKD220S
Material	100% polyester	100% polyester
Weight	1.8kg	2.6kg
Dimensions	220x83cm	220x83cm
Color	Black	Black
Recommended temperature range	5°C~25°C	0°C~25°C

5. Care instructions
