

- Thank you for purchasing our product.
- This product helps to protect your floor during fitness activities.
- Please read this manual carefully before use and keep it in a safe place for future reference.
- The drawings in this manual may not match the physical objects. Please refer to the actual product.

1. Intended Use

- This product is designed for private household use only and is not intended for commercial use.
- Suitable for use as a protective floor covering under fitness equipment
- Can also be used for spas, pools, or as general floor protection mats.

2. Safety Instructions

⚠ WARNING! Suffocation risk for children!

Do not allow children to play with the product or the packaging materials unsupervised.

- Plastic film may cause suffocation. Keep packaging away from babies and children.
- This product is not a toy.
- Place the mat on a clean, dry, flat surface free of sharp objects or debris to prevent punctures and ensure stability.
- Avoid dropping or concentrating heavy loads on single tiles.
- Supervise when used with child-accessible equipment to prevent misuse and accidents.
- Improper use may cause slipping, tripping, or accidents.
- Do not leave infants or small children unsupervised on the mats.
- Discontinue use immediately if skin irritation or discomfort occurs.
- Keep it away from open flames and hot surfaces.

Floor Protection Mat

3. Assembly and Use

- Place mats on a flat, clean, and dry surface.
- Connect tiles by pressing the puzzle edges firmly together.
- Attach edge pieces if a smooth border is desired.
- Ensure mats lie flat without gaps before use.
